

7 DAYS IN HAVANA

PRESS RELEASE

Along with the producers **FULL HOUSE** (France) and **MORENA FILMS** (Spain) and with the international distributor **WILD BUNCH, HAVANA CLUB INTERNATIONAL** is delighted to announce the World Premiere of the film **7 DAYS IN HAVANA** on December 10, 2011 at the **33rd International Festival of New Latin American Cinema** in Havana, Cuba.

Havana International Film Festival is indeed dedicated to the promotion and reward of works whose artistic value contributes to enrich and reaffirm Latin American and Caribbean cultural identity. The screening will be the opportunity to present the film to the very city that inspired it.

7 DAYS IN HAVANA is a snapshot of the Havana of today, a contemporary portrait of an eclectic city, timeless and fascinating, and depicted by seven filmmakers coming from very different backgrounds. **Benicio Del Toro, Pablo Trapero, Elia Suleiman, Julio Medem, Gaspar Noé, Juan Carlos Tabío** and **Laurent Cantet** captured, each in its own way, one day of the week.

Three of the seven stories making up the movie are based on scripts written by famous Cuban novelist **Leonardo Padura**, coordinator of all the narratives.

The film soundtrack is provided by Cuban musicians **Descemer Bueno** and **Kelvis Ochoa**, a duo well-known in Cuban pop music, and Spanish composer **Xavi Turrul**.

Renowned producer of Cuban rum, **HAVANA CLUB INTERNATIONAL** has demonstrated over the years its commitment to the city and its inhabitants. The company has led numerous projects showcasing contemporary Cuban culture throughout the world, particularly through the **HAVANA CULTURA Initiative**. With its active participation to the movie alongside **FULL HOUSE** and **MORENA FILMS**, **HAVANA CLUB INTERNATIONAL** has reached a new stage in its dedication and commitment to supporting the work of the greatest artists.

Presenting the result of this unique adventure to Cubans is the first step for **HAVANA CLUB INTERNATIONAL** and its partners before taking the film to numerous festivals and markets where it will be presented in 2012.

The producers, FULL HOUSE and MORENA FILMS, along with the world sales company WILD BUNCH, want to state that the post production is still in progress, and the final version of the film will be ready in few months.
